*For choosing to make a difference in your community.*

Maui United Way is working to Advance the Common Good by creating opportunities for a better life for all. Our focus is on the impact areas of Education, Income (Financial Stability) and Health. Time and time again, research has shown that the three pillars of a quality life are: an education that leads to a stable job, enough income to support a family through retirement, and good health. Our goal is to create long-lasting changes that prevent problems from happening in the first place.

We invite you to be part of the change. Your generous contribution will provide vital funding for 33 of Maui's most essential health and human service programs to support the needs of our community. When you give to Maui United Way, you can rest assured that 99% of every dollar stays on Maui, supporting programs that are targeting specific outcomes and providing measurable results. Together, UNITED, we can inspire hope and create opportunities for a better tomorrow.
