

OUR MISSION

TO EMPOWER OUR COMMUNITY THROUGH CARING PARTNERSHIPS THAT ENRICH PEOPLE'S LIVES

"BOYS & GIRLS CLUB has impacted me in so many ways, like teaching me valuable life skills and encouraging me to do well in school. The Club has taught me that life isn't just about sadness and violence and that I deserve happiness! Once a six-year old child without hope, I am now a 17-year old young man that no longer needs to imagine happiness because, although I'm currently considered 'a kid in the system,' my life has never been better. My BOYS & GIRLS CLUBS OF MAUI `ohana has always stood by my side."

Mason Aquino is the Boys & Girls Clubs 2014 Maui and Hawaii Youth of the Year

"FEED MY SHEEP is so wonderful. I have arthritis and can't walk two blocks, but they come to my neighborhood to make it easy on me. I'm low-income and this helps so much. I love it. I don't normally like to take help, but I come here."

Rosemary, Friend of Feed My Sheep, is the only member of her family to survive the holocaust

"I would like to express my utmost sincere gratitude to **HABITAT FOR HUMANITY MAUI**. They have been a blessing in disguise in my downward spiral of hopelessness and despair. They have given me a home, which I can call my own and assisted me through the process by supporting me with love. Mahalo nui loa to my new family at Habitat for Humanity Maui.

Varna Pomaikai Nakihei

"**SPECIAL OLYMPICS MAUI** has given Nikilani a sense of belonging and acceptance through a variety of year round sports. The program has built her confidence, increased her social skills, reduced anxiety and encouraged a healthy lifestyle. The organization is truly part of our `ohana and we are grateful for their commitment to our special athletes. Nikilani most recently participated in the 2014 Special Olympics USA Games in aquatics where she brought home the gold!"

Toni Rojas, Parent of Nikilani Rojas, Special Olympics Olympian

OUR WORK

Maui United Way is working to advance the common good by focusing on **EDUCATION, INCOME & HEALTH**. These are the building blocks for a good life – a quality education that leads to a stable job, enough income to support a family through retirement and good health.

We work to improve lives, motivate people to help others, increase resources to meet needs and inspire solutions to community problems. Our goal is to create long-lasting changes that prevent problems from happening in the first place. **Last year alone, 73,744 services were provided to those in need through the work of our 41 health and human service programs.**

We invite you to be part of the change. Together, **UNITED**, we can inspire hope and create opportunities for a better tomorrow. That's what it means to **LIVE UNITED**.
