**Chairman’s Message**

Aloha MUW ‘Ohana,

MAHALO! Because of you, we were able to provide the many needed social services to our Maui community through programs in Health, Education and Income. Through your generosity and volunteerism our partnership resulted in more than 2,530 volunteer hours and over $892,494.07 in contributions to the 2018-2019 Maui United Way Campaign in support of 33 vital programs through 32 Partner Agencies.

We also completed the A Hui Hou program intended to provide emergency relief assistance to displaced HC&S workers in need regarding shelter, food, health and safety. A total of $96,432.57 was disbursed to a total of 33 displaced HC&S workers. The amounts awarded for each applicant varied widely based on need but an average of $2,922.20 was disbursed. We were able to provide financial assistance for a wide range of expenses such as rent, mortgage, utilities, medical (premiums and bills), and education (tuition, CDL training fees and learning materials). We were able to work with Workforce Development to see how we could assist previous HC&S workers who chose to go back to school. In addition, we provided references to MEO, Legal Aid and Social Security to further assist them to becoming financially sustainable.

LIVING UNITED involves all of us - our Partner Agencies that provide vital services to the most needy in our community; our workplace campaigns, corporate sponsors, major donors and foundations that contribute the crucial funds; our volunteers who are making a difference by offering their time and talents in service; and our Board and Staff who must provide a workable vision and leadership to fulfill Maui United Way's mission.

It has been a wonderfully productive year, one that saw us look to change to address ever pressing and changing community needs; to adapt to address those needs. In our President’s report, Kari mentions some of those changes and we expect change to continue. These are challenging times for all of us and with your help we will continue to evolve to support our communities vital needs.

We look forward to the future as we continue our partnership with you, our ‘OHANA.

Mark Formwall
Interim Chairman, Board of Directors

**Our Mission**

is to empower our Maui community through caring partnerships that enrich people’s lives.

---

**President’s Message**

‘O Maui Nui Kākou!

Together Maui Nui! We are all in this together; it is the only way to move forward and solve problems. Together, we accomplish more than any one person or any individual organization. When one suffers, we all suffer and when one succeeds, the whole community does too. We have kept ‘‘O Maui Nui Kākou’ in our minds and hearts this year and that is how Maui United Way has served and continues to serve our County.

In my time with Maui United Way, I have witnessed so many amazing things. I have seen families become homeowners; children who were slipping academically get back on track; and people who were hopeless, regain that hope. This did not happen in isolation. This was a result of people and organizations fighting together to improve entire communities; one family, one child, one person at a time. These victories are to be celebrated and we must keep our eyes on the bigger goals.

When the ALICE (Asset Limited Income Constrained Employed) report came out last year and reported that more than half of our Maui County residents were living paycheck to paycheck and can’t afford Hawaii’s high cost of living, we knew Maui United Way needed to spring to action. We, along with our partners, community members, volunteers and donors, have made great strides to propel change all the while continuing the fight for education, financial stability, and the health of every person in Maui County.

As we reflect upon this past year, Maui United Way is grateful to you, our community who so generously gave of their time, talent, and treasure. In this Impact Report, for 2018-2019, Maui United Way provided funding provided for over 31,266 non-profit services; over 800 school supply kits to support our keiki to be school-ready; and 2,607 toys for our keiki in need during the holiday season, which met 100% of our community’s needs. We also supported Tropic Care 2018, along with the County of Maui, which provided for over $1.6 million in medical, dental, and optometry services at no-cost to our Maui County residents. Maui United Way is a hand up in times of need and that was never more apparent than when Maui United Way stepped up to the plate when our Lahaina families lost their homes in the fires. We were able to partner with community organizers to provide $5,000 to each family that lost their home and support their rebuild.

These are wonderful and huge accomplishments, but it is still not enough. We can do more.

We are proud of our history and approach to uniting the community around service. However, we risk becoming irrelevant if we aren’t constantly challenging ourselves to make a bigger impact and engage more partners in the fight for the stability that all Maui Nui families deserve. Our role in the community, the needs of the community and the way people give back are evolving rapidly. And so, we too, must position the organization for a revolution in our approach.

This is why Maui United Way has transformed and will continue to evolve our organization in partnership with our community, agencies, and stakeholders. Together, united, we will continue to identify where and what the biggest needs are, identify groundbreaking approaches to the most intractable problems, and develop big, measurable community goals. There are exciting things to come in 2020!

As many of you know, I will be leaving Maui United Way at the end of June. I am confident that Maui United Way’s next President will take this organization to new heights. It has been my sincere pleasure to work for our community. There are not enough words to express my appreciation and gratitude to all of you. Maui United Way could not exist without you and your continued support. ‘O Maui Nui Kākou!

Me ke aloha pumehana,

Kari Luna Nunokawa
President & Chief Professional Officer
Maui United Way in your Community
For more than 70 years, Maui United Way has safeguarded our community, ensuring that non-profit services are available for those in need. Together, with our community partners, we continue to impact sustainable change and provide hope for a better tomorrow. Last year, 31,266 non-profit services were provided to people in need through the generous support of our community.

HIGHLIGHTS OF THE YEAR

Maui United Way Impact Report 2018 | PB

Our 6th Annual Tools for School Drive was distributed differently by providing school supply kits in backpacks. This gave us the opportunity to serve more keiki and made the distribution process more efficient. We had a volunteer day where we stuffed backpacks with supplies and they were picked up by our partner agencies. We were able to provide over 800 keiki with supply kits in 2018. All donations were distributed through Maui United Way's 33 non-profit partner agencies. We want to send a big mahalo to Four Seasons Resort Maui for donating backpacks, and Pacific Media Group and HMSA for their partnership. Mahalo to everyone who donated supplies this year. Your generosity is greatly appreciated.

HOLIDAY TOY DRIVE
The 2018 Holiday Toy Drive was held from November 23 to December 17th. With the overwhelming support of our Maui community, we were able to reach our goal and fill 100% of requests and distribute a record 2,607 toys to needy keiki in Maui County! This year, we had special help from a very generous elf, Jody Singsank. She donated over 200 hours of her time to help with the distribution of the toys to our Partner Agencies. We really can’t thank her enough for all her hard work and dedication. Mahalo to our sponsors, PMG and QKC, all donors and partners for your support in making this the best toy drive to date. Let’s keep the momentum for 2019!

10TH ANNUAL MAUI ELECTRIC COMPANY KEIKI TILAPIA FISHING TOURNAMENT
Mai Electric Company, along with Ka’anapali Golf Courses, held their 10th Annual Keiki Tilapia Fishing Tournament on Saturday, May 11, 2019 at the Ka’anapali Golf Course Pond to benefit Maui United Way. The tournament sold out in 1 day, which capped out at 650 participants this year. This year’s tournament is the biggest to date, which raised almost $25,000! All proceeds will benefit Maui United Way’s 33 amazing partner agency programs. Mahalo Nui to Maui Electric Company employees and their families for supplying over 100 volunteers and 300 volunteer hours to organize and run this fun event.

A HUI HOU FUND Recap
The A Hui Hou fund ended on December 31, 2018 after providing financial assistance to displaced HC&S workers for over two years. A total of $96,432.57 was disbursed to a total of 33 displaced HC&S workers and their families. The amounts awarded for each applicant varied widely based on need but an average of $2,922.20 was disbursed. We want to say a big MAHALO to all who donated to the fund and volunteered their time and expertise during the inception and duration of the program. Special mahalo to Matson for their generous donation of $100,000 and holding a very special luncheon on March 6 where we came together and recognized all the individuals and agencies that made the A Hui Hou fund possible.
In August of 2018, Maui United Way partnered with Maui County and the State Department of Health on *Tropic Care 2018*. Over 300 service men/women provided 17,757 optometry, dental, and medical procedures and 2,820 pairs of glasses to low-income Maui County residents at no cost. In total, $1.6 million in services were provided to our Maui County residents as part of their Innovative Readiness Training Program. Maui United Way raised over $50,000 to pay for food for the military workers, as well as cover facilities, supplies, and other expenses that were not donated.

**Tropic Care 2018**

The Maui Fair Parade was held on October 4, 2018, with another successful turnout of about 335 walkers/volunteers who helped inspire our community to give, advocate and volunteer. Participants of our 32 Partner Agencies were there to bring awareness to their services, holding signs stating how they choose to “LIVE UNITED.” Every walker got a new pink LIVE with ALOHA t-shirt which stood out great in the parade with its bright color. Mahalo to our DJ Zeke Kalua for donating his talents and playing the best music for us. Also, mahalo to Habitat for Humanity for letting us borrow their truck! See you all again in October!

**Advocating for a Better Tomorrow at the Maui Fair Parade**

The 6th Annual B. Martin Luna Memorial Tennis Tournament was held during President’s Day weekend on February 16-18, 2019 at Wells Park Tennis Courts. Everyone had a great time playing tennis and raising money for Maui United Way. The weather held up nicely and all matches were held in Wailuku! As always, Maui United Way is so grateful to all the participants, sponsors, and donors that helped to make the tournament a huge success!

**Bert Martin Luna Tennis Tournament Benefitting Maui United Way**

Our 5th Annual Leadership Breakfast was held on March 20, 2019 at the King Kamehameha Golf Club. The board driven event introduces Maui’s business leaders to the vital work of MUW, and explores ways that businesses can get more involved in their community through GIVING, ADVOCATING and VOLUNTEERING. This year’s event brought in over 15 businesses. Mahalo to our Partner Agency speakers who shared their stories: Kathleen Couch, Maui Adult Day Care Centers and Larae Balag & Marsha Jones, Maui Family Support Services. A big Mahalo to Gladys Baisa for taking time out of her busy day to talk about her support of Maui United Way and how it impacts the community! A special MAHALO to David Toyomura, Morgan Stanley for their sponsorship of the event!
