Maui United Way is working to advance the common good by focusing on EDUCATION, INCOME & HEALTH. These are the building blocks for a good life - a quality education that leads to a stable job, enough income to support a family through retirement, & good health.

From helping individuals find food and safe shelter in a time of crisis or providing health services, medical care and support services to families in need, our community partner agencies do inspiring work with the support of your much needed contributions. Our goal is to create long-lasting changes that prevent problems from happening in the first place.

Last year alone, 65,493 services were provided to those in need through the work of our 40 health and human service programs.

We invite you to be part of the change, Together, UNITED, we can inspire hope and create opportunities for a better tomorrow. That’s what it means to LIVE UNITED.

**“CONSUMER CREDIT COUNSELING SERVICES OF HAWAII”**

“Thanks to BOOK TRUST, we have plenty of books at home. These are all of us in our family: my mom, two sisters, a brother and myself. They all enjoy reading the books. Sometimes we read to ourselves, but we mostly read together before we go to sleep. When I grow up, I want to be an engineer.”

-- Koalele Spencer, a 5th grader at Makawao Elementary

**“MENTAL HEALTH AMERICA OF HI-MAUL”**

“I have been hospitalized 31 times in my life because of my schizoaffective disorder. I now teach others how to manage their mental illness at MENTAL HEALTH AMERICA OF HI-MAUL. I currently assist the agency in training Maui County Police Officers in their Crisis Intervention Training. We are moving forward and helping others with the support of our community. Maui United Way is making life for us better and we are paying it forward.”

-- Caprena Rowe

**“IMUA FAMILY SERVICES”**

“I am very pleased with the services IMUA FAMILY SERVICES has provided for Torie and my family. Everyone was very professional and supportive to our specific needs. I feel Torie has blossomed with the care she received from the various workers from IMUA FAMILY SERVICES. She was given an excellent start as she begins her pre-school career. Thank you so much for having this program available to the families who live in Maui.”

-- Dawn Migita, mother of Torie who was born pre-term at 35 weeks with a submucous cleft palate
