OUR WORK

Maui United Way is working to advance the common good by focusing on **EDUCATION, INCOME & HEALTH**. These are the building blocks for a good life - a quality education that leads to a stable job, enough income to support a family through retirement, & good health.

From helping individuals find food and safe shelter in a time of crisis or providing health services, medical care and support services to families in need, our community partner agencies do inspiring work with the support of your much needed contributions. Our goal is to create long-lasting changes that prevent problems from happening in the first place. **Last year alone, 55,806 services were provided to those in need through the work of our 37 health and human service programs.**

We invite you to be part of the change. Together, UNITED, we can inspire hope and create opportunities for a better tomorrow. That's what it means to LIVE UNITED.

"We appreciated everything **HOSPICE MAUI** did for our mom, Edith Ichiriu. Mom had a special connection and fondness for Laurie, one of her caregivers. She called Laurie her "cosmopolitan angel". Laurie's kindness and compassion really came through and she was like a member of our family. She provided much love and support to mom and we are ever so grateful for that."

- Sheri Yamaguchi

When my son was a youngster I called on **BIG BROTHERS BIG SISTERS OF MAUI**. The time he spent with his Big had such a positive impact for him. Here I am years later and am beyond words to be a Big Sister! My Little (Litty) and I spend time together in individual and organized activities. I am grateful to the caring partnership of BBBS of Maui for affording me the opportunity to be part of building a lasting relationship, and to be a positive role model and friend to my Little (Litty).

- Roxanne "Hoku" Hu (Big Sister)

When I first met Hoku, I was really excited and nervous. But when I started opening up to Hoku I felt more comfortable. I always wanted a sister, little or big so I am blessed I have Hoku.

- Litty Obet (Little Sister)

Madalyn Moore started as a Daisy Girl Scout and will be a 2nd Year Brownie Girl Scout this year. She has grown so much as a person; she is very respectful and caring about herself, others and her troops. She has learned the Girl Scout Promise & Law and follows through with it. Madalyn has learned to help others and I find her caring for the elderly. I plan to keep Madalyn in Girl Scouts as long as possible, as a parent I see my daughter growing into a young woman with the help of **GIRL SCOUTS**.

- Christy Burrell (mother)

"We could not have gone through the past 6 years without **MAUI ADULT DAY CARE CENTERS**. My father was diagnosed with Alzheimer's and because of MADCC we were able to keep Dad at home longer. The staff not only took care of Dad, six days a week, but also provided support and guidance to us through support groups, counseling, and workshops. We could not have done "it" alone."

COMMUNITY IMPACT PROGRAMS

ADDITIONAL COMMUNITY SUPPORT PROVIDED BY MAUI UNITED WAY

A HUI HOU FUND

The A Hui Hou Fund was developed by a group of concerned citizens in partnership with Maui United Way, to provide emergency relief assistance to HC&S displaced workers in need.

With growing concern regarding the over 600 employees that will be laid off due to the sugar plantation closure through the end of 2016, Maui United Way has stepped up to launch a fundraising campaign to generate funds to provide displaced workers with emergency assistance, specifically supporting rental, mortgage, utilities, and educational needs.

HOLIDAY TOY DRIVE

Maui United Way partnered up with Friends of the Children's Justice Center this year, resulting in our most successful Holiday Toy Drive ever! Over 2,100 toys were provided to children in need, which fulfilled 89% of the overall request of 2,400+ toys. We are overwhelmed with the generosity of our Maui Community and want to send a special Mahalo to all of our sponsors and community partners for supporting this effort, which allows us to help so many families each year.

TOOLS FOR SCHOOL DRIVE

Every year, Maui United Way runs a Tools for School drive. This year's school supplies drive was a huge success, with 408 keiki receiving school tools donated from our Maui community! Maui United Way brought in a record collection of 3,500 supplies which were distributed to keiki in need through our 37 partner programs. Mahalo to company participants for their employee drives.
