Maui United Way is working to advance the common good by focusing on EDUCATION, INCOME & HEALTH. These are the building blocks for a good life – a quality education that leads to a stable job, enough income to support a family through retirement, & good health.

From helping individuals find food and safe shelter in a time of crisis or providing health services, medical care and support services to families in need, our community partner agencies do inspiring work with the support of your much needed contributions. Our goal is to create long-lasting changes that prevent problems from happening in the first place.

Last year alone, 55,806 services were provided to those in need through the work of our 37 health and human service programs. We invite you to be part of the change. Together, UNITED, we can inspire hope and create opportunities for a better tomorrow. That’s what it means to LIVE UNITED.

REPORT TO DONORS

We appreciate everything Hospice Maui did for our mom. Each shift, Mom had a special connection and fondness for Laurie, one of her caregivers. She called Laurie her “cosmopolitan angel”. Laurie’s kindness and compassion really came through and she was like a member of our family. She provided much love and support to mom and we are ever so grateful for that.

When my son was a youngster I called on Big Brothers Big Sisters of Maui. The time he spent with his Big had such a positive impact for him. Here I am years later and am beyond proud to be a Big Sister! My Little (Litty) and I spend time together in individual and organized activities. I am grateful to the caring partnership of BBBS of Maui for offering me the opportunity to be part of building a lasting relationship and to be a positive role model and friend to my Little (Litty).

Rosalma “Hoku” Hu (Big Sister)

When I first met Hoku, I was really excited and nervous. But when I started opening up to Hoku I felt more comfortable. I always wanted a sister, little or big so I am blessed I have Hoku.

When my son was a youngster I called on Big Brothers Big Sisters of Maui. He has grown so much as a person; she is very respectful and caring about herself, others and her troops. She has learned the Girl Scout Promise & Law and follows through with it. Madalyn has learned to help others and I find her caring for the elderly a plan to keep Madalyn in Girl Scouts as long as possible. As a parent I see my daughter growing into a young woman with the help of Girl Scouts.

We could not have gone through the past 6 years without Maui Adult Day Care Centers. My father was diagnosed with Alzheimer’s and because of MADCC we were able to keep Dad at home longer. The staff not only took care of Dad, six days a week, but also provided support and guidance to us through support groups, counseling, and workshops. We could not have done it alone.

With growing concern regarding the over 700 employees that will be lost due to the sugar plantation closure through the end of 2016, Maui United Way has stepped up to launch a fundraising campaign to generate funds to provide displaced workers with emergency assistance, specifically supporting rental, mortgage, utilities, and educational needs.
