Chairman’s Message

Aloha Friends,

I extend my warmest Mahalo to you for being a part of the United Way effort and for the contributions you have made as donors, volunteers and program Partners. Those who are recognized today stand out as models of what is possible. Likewise, many others contributed, and we also honor you. This year you, our Community Partners, contributed $953,040 towards the 2014-2015 campaign which funded 40 nonprofit agencies who provided 41 outstanding programs.

One year ago, I identified some things as being critical for future success. First and foremost, we needed to generate more donations through additional revenue streams and increased campaign participation. Financially, corporate donations in particular were not growing and even trending downward. I also remarked that a recruitment push for other new business Partners was needed through direct personal contact.

I am pleased to report that your Maui United Way achieved some modest and incremental results in keeping with this mandate. We were able to generate some additional employee campaign participants, corporate donors and volunteers by pilot- ing an “Executive Breakfast” event for new Partners. We also initiated a plan to seek additional Foundation Grants for program funding and endowment growth.

In terms of potential growth, we completed a very innovative, progressive and timely Strategic Plan to guide us right now and for the next several years. We believe that we have created a self-sustaining model that provides a path toward enhancing our effort to grow program services for our community.

Mahalo nui loa, e mālama pono!

Stephen Kealoha
Chairman, Board of Directors

President’s Message

The reason we exist is to serve both our donors and our clients. Donors in that we carry out their hopes for social change, and clients in that we help them change their lives for the better. We do this by focusing on outcomes, measuring results, and changing lives.

We extend our most sincere gratitude to you and thousands of Maui individuals and businesses who have donated their time and money to make our work possible.

We work to improve lives, motivate people to help others, increase resources to meet needs and inspire solutions to community problems. Over the years, we have continued to invest in programs targeting Education – helping youth achieve their full potential, Income – promoting self-sustainability and Health – promoting healthy living.

Our work is best reflected in our mission to empower our community through caring partnerships that enrich people’s lives. Our success would not be possible without the caring people who have chosen to LIVE UNITED with us. In 2014-2015, despite very challenging times, our donors demonstrated extraordinary generosity, helping us ensure vital services continue to meet the needs of our community. Our community’s generosity provides much needed funding to support non-profit programs, which changes lives for the better every day.

In 2015-2016, Maui United Way will embark on a new strategic plan, focusing on campaign growth and securing resources to better support the needs of Maui. Through the generosity of our donors, MUW will continue to move forward looking for innovative ways to provide support, grow resources and foster new partnerships to support Maui’s non-profits.

As such, I humbly seek your support in continuing to sustain Maui United Way to serve as a powerful force for change in our community.

Thank you. Together, UNITED, we are inspiring hope and creating opportunities for a better tomorrow.

Sincerely,

Laksmi Melelani Abraham
President and Chief Professional Officer

Mission Statement

Our mission is to empower our community through caring partnerships that enrich people’s lives.
MAUI COUNTY’S SAFETY NET
For more than 50 years, Maui United Way has safeguarded our community, ensuring that non-profit services are available for those in need. Together, with our community partners, we continue to impact sustainable change and provide hope for a better tomorrow. Last year, 65,493 non-profit services were provided to people in need through the generous support of our community.

EDUCATION
34,558 services were provided to focus on helping children and youth achieve their potential

INCOME
12,510 services were provided to promote financial stability and independence to low-income families and individuals

HEALTH
18,425 services were provided to improve people’s health

IMPROVING LIVES THROUGH COMMUNITY IMPACT
Maui United Way is committed to improving the lives and futures of individuals, children and families by strategically investing in programs that support the needs of EDUCATION, INCOME, and HEALTH. MUW partners with 40 partner agencies to provide critical non-profit services, mobilizes hundreds of volunteers to give back, and advocates for positive change. Maui United Way is inspiring hope, improving lives and creating opportunities for a better tomorrow in Maui County every day.

12@TWILIGHT GOLF TOURNAMENT
Maui United Way hosted their 2nd Annual 12@Twilight Golf Tournament on November 15, 2014, chaired by Karey Kapoi. This sold out event was a 12-hole, four-person scramble at the beautiful Ka’anapali Golf Course. The tournament consisted of refreshments at each hole, prize drawings, and the chance for golfers to shoot for one million dollars!

Mahalo to all of our sponsors, golfers and volunteers for making the 2nd Annual 12@Twilight Golf Tournament a huge success!

HOLIDAY TOY DRIVE
Maui United Way teamed up with several local businesses to make the holidays brighter for hundreds of families in need with our annual Holiday Toy Drive. Over 800 toys were donated and distributed to children in the Maui community, through the help of our partner agencies. Mahalo to all of our sponsors for supporting this effort, which allows us to help so many families each year:

Meyer Computer, Inc.
Gilbert Keith-Agaran
Friends of Glenn Wakai
Oceanic Time Warner Cable
Kimo Apana
Mike Victorino
John Tajima
Maui Carpet & Drapery
County of Maui
ALTRES
Old Navy

MAUI UNITED WAY collected over 1000 school supplies and slippers which were distributed to keiki in need through our 41 partner programs. Our School Supplies Drive was chaired again by Jolee Correa, a seventh grader at ‘Iao Intermediate School. In her efforts, Jolee drafted a donation request letter, recruited business and community support, and created drop boxes which were placed at various locations. Jolee stated that her goal for this project was to “help kids that can’t afford school supplies get the right supplies so they are able to do things the right way”. Jolee is an inspiration to us all and her efforts provided much needed support again this year to many students here on Maui. Mahalo to these sponsors for their donations as well:

AFL-CIO LABOR COMMUNITY SERVICES PROGRAM
Maui United Way and Labor Unions have partnered for more than 60 years in an effort to help our community. This program provides assistance to families in need and provides fundraising campaign support to union affiliated businesses. We appreciate their partnership and support for our local community.

WOMEN HELPING WOMEN SHELTER RENEW PROJECT
Deanna Davis, Laksmi Abraham, Renee Ward, Lena Staton and Sandra Florence formed a task force on July 2, 2014 to renovate the Women Helping Women domestic violence shelter. With the help of the community, volunteers, and organizations, the shelter was completed on March 31st. Sen. Roz Baker commented “It’s amazing. I think it’s going to give the folks who come here a sense of peace and calm and safety. Hopefully, the beautiful surroundings will give them a feeling of being loved and valued and cared for. Give them a way to heal their lives and make a new start for themselves.” Maui United Way assisted with the project by providing resources, mobilizing volunteers and overseeing the design of the children’s therapy/play room. Mahalo to all the community partners that came together to LIVE UNITED for our women’s shelter.

Highlights of the Year

VOLUNTEERS MAKING A DIFFERENCE
Maui United Way is an organization primarily supported through the work of volunteers. Through the mobilization and support of volunteers, MUW continues to encourage the importance of giving back to your community, advocates on behalf of the less fortunate and leverages volunteers to support the needs of Maui’s non-profits. In 2014, hundreds of caring individuals volunteered for MUW, contributing 5,394 volunteer hours for Maui’s non-profits. Volunteers are the backbone of MUW, providing much needed support to carry out our mission. Mahalo to all of the volunteers for joining the LIVE UNITED movement and creating opportunities for a better tomorrow.

ADVOCATING FOR A BETTER TOMORROW
Maui United Way advocates on behalf of the needs of Maui’s non-profits by encouraging the support of our community. Last year, over 300 volunteers advocated for a number of non-profit services by marching in the Maui County Fair Parade. In addition, MUW hosted a sign waving in Kahului to encourage the importance of giving back to the community. By encouraging our community to LIVE UNITED, we continue to advocate and provide awareness for those in need.
