Maui United Way is working to advance the common good by focusing on EDUCATION, INCOME & HEALTH. These are the building blocks for a good life - a quality education that leads to a stable job, enough income to support a family through retirement and good health.

Maui United Way brings together a variety of partners - people and organizations who bring the passion, expertise and resources needed to get things done. We are committed to addressing the underlying causes of Maui’s most pressing issues, while simultaneously making sure people get the short-term help they need. Our goal is to create long-lasting changes that prevent problems from happening in the first place.

We invite you to be part of the change. Together, UNITED, we can inspire hope and create opportunities for a better tomorrow. That’s what it means to LIVE UNITED.

**AMERICAN RED CROSS** will always be in my heart because without them, we don’t know where we would be. They gave my family a new start to life.” - Lizezel Combe

The Combe Ohana fell victim to a fire that took their Kihei home.

“HOSPICE MAUI services were so inspiring, not only because the personnel were perfect in everything they said and did, but they also came in with so much love and compassion for our family. The nurses were just like family to us. Hospice is a calling, not a service.” - Rowena Enomoto

“Patrick was diagnosed with Autism at age 2. He expressed little interest in the world around him, much less making friends with his peers. We joined BEST BUDDIES 4 years ago. It has given Patrick confidence and he is now finally learning about what it means to make and be a friend. He now texts and sees his friends on a regular basis and loves every minute of it!” - Jean McGoldrick

Jean is Patrick’s mother. Patrick is pictured above with Michael McCormick, State Director of Best Buddies Hawaii.

“MAUI ADULT DAY CARE became our rainbow when Lee was offered a scholarship at the Kihei Day Care Center. The staff at the center provided us the love, constant care and understanding that only those of us who have experienced it can truly understand.” – June Canterbury
